## Painting and Decorating, QQI Level 3

**Programme Aim:** To provide learners with the opportunity to develop the knowledge, skills and competencies necessary for preparing and designing an area required to work and complete a range of painting decorating tasks. On completion participants will be capable of identifying and selecting the correct tools and materials necessary including thinners, printers, fillers, undercoats and varnishing to complete a range of painting and decorating tasks, while applying appropriate health, safety and personal hygiene procedures when painting or handling paint to include the correct storage of paint and other chemicals, ladders, trestles, brushes and tools.

### Participants of this programme will:

- Understand what health and safety legislation effects Painting and Decorating
- Identify the correct PPE needed in order to complete a range of painting and decorating tasks
- Be able to plan and design an area ready to be decorated
- Complete a range of tasks to an excellent standard
- Be confident to provide advice and choose the correct colours and paints required for an area
- Understand the correct storage and cleaning required for tools and materials on completion

### Programme Content

- Health and Safety in Painting and Decorating
- PPE
- Preparation and design
- Setting up
